Jeremy,

Thank you for the quick response. Do the limits extend up to $5M per the attached traditional cert? The contract minimum is $5M, but the new cert submitted in Track4LA references $2M.

Appreciate your response,

Chrizelle,

I just revised the uploaded certificate to include SPPOA in the additional insured section. Please let me know if you have any questions.

Lorena,

Since our contract is with SPPOA, and not MV, we need to ensure SPPOA is insured. We can accept SPPOA as additional insured to MV's Auto policy; however the certificate should reflect that.

Please ensure MV has their broker submit a revised certificate to Track4LA with reference to adding SPPOA as additional insured to MV's auto policy.

Should you have any questions/concerns, please feel free to contact me.

Thank you,

Chrizelle,

Here is the certificate you requested. I will make sure that this is put in to the Track4LA website.
